

*Do you know the land where the lemon-trees grow,
in darkened leaves the gold-oranges glow,
a soft wind blows from the pure blue sky,
the myrtle stands mute, and the bay-tree high?
Do you know it well?
It's there I'd be gone,
to be there with you, O, my beloved one!*

The words written by Goethe in 1829 introduce the most iconic ingredient of our cocktails: the Amalfi Coast lemon. Its intense freshness and aroma enhance the flavor of all our recipes. Either squeezed, peeled or in the liqueur, it represents the authentic taste of this wonderful land. Enjoy our creations and feel part of it.

*Conosci tu il paese...
dove fioriscono i Limoni?
Nel verde fogliame splendono arance d'oro,
un vento lieve spira dal cielo azzurro,
laggiù, laggiù
correi con te, o mio amato, andare!*

Queste poetiche frasi scritte da Goethe nel 1829, vi fanno scoprire l'ingrediente che più caratterizza i nostri cocktail: il limone della Costa d'Amalfi. La sua freschezza ed il suo aroma estremamente intenso esaltano il sapore di tutte le nostre preparazioni. Usato in bucce, spremuto oppure nella versione in liquore vi darà il vero gusto di questa terra meravigliosa. Gustate le nostre composizioni e sentitevi parte di essa.
