

“Turmeric”

A Celebration of Spice and Culture

The name “Turmeric” is inspired by one of the most essential and widely used spices in Thai and Asian cuisine, celebrated for its vibrant color, distinctive flavor, and cultural significance.

This vibrant dining outlet offers a delightful buffet breakfast featuring a signature Teh Tarik “pulled tea” performance, providing a theatrical start to your day. For lunch and dinner, guests can indulge in an à la carte menu showcasing authentic Thai specialties and traditional Malay ethnic dishes, thoughtfully served in charming tiffin boxes to evoke a sense of nostalgia and tradition.

To elevate the dining experience, Turmeric also features interactive tableside service, where dishes are finished with freshly ground spices right before your eyes—stimulating the senses and enhancing the overall flavor profile. For those seeking global flavors, an optional selection of international cuisine is also available.
