SIGNATURE EXPERIENCE

Drawing on Anantara Spa's global expertise, the finest ancient wellness traditions and unique holistic therapies, our collection of highly-specialist rituals blend luxurious pampering with powerful, long-lasting benefits for body, mind, and soul.

Anantara Signature Experience

Revered Eastern and Western massage techniques, combined with a signature oil blend, stimulate the circulation, promote deep relaxation and restore energy flow for supreme wellbeing.

Vietnamese Signature Herbal Compress

Detoxify and rejuvenate your face and body with healing Vietnamese herbs and spices. A herbal steam facial opens and unclogs pores, hydrates and softens, stimulates the circulation and boosts oxygen to refresh and awaken skin. A heated herb and spice poultice is pressed and rolled over the body, after which a full body treatment using an aromatic herbal oil blend warms the muscles, eases stiffness and melts away tension.
