# The Spirit of Rim Nam

## Where the Flavours of Thailand Flow Together

In Thai, Rim Nam (ริมน้ำ) means “by the water’s edge.”  
The name reflects the close relationship between water and Thai life,  
from the rivers and fertile plains of Central Thailand  
to the southern coastline.

This connection also inspires our menu.  
Drawing mainly from Central and Southern Thai cuisine,  
Rim Nam brings together familiar recipes, fresh seafood and fish,  
aromatic herbs, spices and seasonal ingredients.  
Each dish stays true to the flavours and character of its origin,  
prepared with care and made for sharing.

At Rim Nam, we invite you to enjoy Thai food as it has always been  
enjoyed around the table, together.

**Rooted in tradition. Inspired by water. Made to share.**
