PEACE HAVEN TANGALLE  
RESORT

# *The Sicilian Affair*

with Chef Giuseppe Bonura

At Il Mare, the signature cliffside restaurant of Anantara Peace Haven Tangalle, guests are invited to embark on a rare culinary journey celebrating the vibrant soul of Sicily. For one exclusive week, the resort welcomes Chef Giuseppe Bonura, Chef de Cuisine of Biscotti at Anantara Siam Bangkok, one of Thailand's most celebrated Italian restaurants.

Bringing with him a wealth of international experience from the kitchens of Rosewood London and Rosewood Phuket, Chef Giuseppe presents a menu inspired by his Sicilian roots, where Mediterranean simplicity meets modern elegance.

This special Sicilian Food Week is an invitation to experience the art of fine dining by the ocean, blending the sophistication of Italian culinary mastery with the natural beauty and tranquillity of Tangalle.

Guided by Anantara's culinary philosophy of authenticity, creativity, and connection, this collaboration brings together the essence of two iconic Anantaros, Bangkok's urban sophistication and Tangalle's coastal serenity, offering guests a truly exceptional opportunity to savour the finest flavours of Italy in the heart of Sri Lanka's south coast.
