

# SPA & WELLNESS MEMBERSHIP

A fully equipped fitness area with dedicated cardiovascular equipment, resistance equipment and free weights is at your disposal in our Gym. Our state-of-the-art Life Fitness and Technogym equipment provides members with a totally immersive workout experience.

You can choose to bike in France's Col de la Colombiere or run in California's Trinity Mountains. The integrated machine controls the resistance or incline and the video speed to replicate an authentic outdoor experience.

Our Wellness Space has an impressive infinity pool, Jacuzzi, sauna, steam room and chill out pool side Spaces, offering our members total escape from every day stresses.
